Real Gymnastics in a Fun, Safe and Progressive Environment

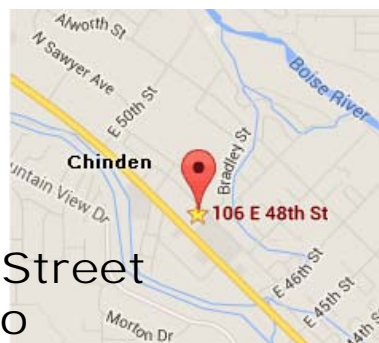

Classes forming now for the school year!

We believe that correct gymnastics technique is the key to your child’s health, development and success. Our caring, competent staff, low student-instructor ratio and organized, efficient lesson plans ensure that your child is constantly learning.

Our classes will build your child’s strength, flexibility, coordination, balance and confidence.

Special classes are also offered in Tumbling and Trampoline. Group rates are available to child-care providers and public schools.

For boys and girls ages 15 months and up.
