

Preschool Adventures

At Bronco Elite Arts and Athletics, we are committed to investing in young lives within our community. To further impact children in the area, we'll be offering a creative, enriching preschool program to our very youngest learners this fall.

We are looking for families of 3 & 4-year-olds who would like to partner with us in our efforts to influence our students socially, developmentally, academically and physically. Our interactive curriculum guides children through their early learning years using a fun, loving, hands-on approach to classroom instruction and activities.

Our Preschool Teacher/Director, Jenny Hampton, was born and raised in Boise, Idaho and graduated from Boise State University. She received a Bachelor's Degree in Elementary Education with an emphasis in Early Childhood Education.

She has 12+ years of instructional experience including several years teaching public school in the West Ada School District as well as homeschooling her own children.
